**EXPOSE SPLAT GLOW TO BRIGHT LIGHT PRIOR TO USE**

Welcome to the fun and excitement of Splat Glow! Splat Glow is safe, but some individuals may experience skin irritation. A preliminary test should be done according to the directions below. This product must NOT be used on eyelashes or eyebrows. To do so could cause blindness. If product does get in eyes, wash thoroughly with warm water and consult physician.

#### **PRELIMINARY ALLERGY TEST**

To do the test, cleanse a small area of skin behind one ear or on the inner surface of the forearm, using either soap and water or isopropyl alcohol. After cleansing, apply a small quantity of Splat Glow to the area and allow it to dry. After 24 hours, wash the area gently with soap and water. If redness, burning, or itching occurs, you may be allergic and you must not use this product. This test should be made before each application. Never use this product for dyeing eyebrows or eyelashes, as severe inflammation of the eye or even blindness could result.

#### **KEEP OUT OF REACH OF CHILDREN**

#### **CAUTION:**

Splat Glow contains metallic pigments. Do not apply hair color to hair with Splat Glow on hair. Hair must be washed thoroughly prior to applying oxidative hair color (hair color or bleach that mixes with peroxide).

**EXPOSE SPLAT GLOW TO BRIGHT LIGHT PRIOR TO USE.**

#### **GLOW INSTRUCTIONS:**

1. Apply Splat Glow liberally in a well lit room. (Most light works including UV, black light, fluorescent and sunlight.)
2. After applying to hair, and exposing hair to light, turn off lights to see your hair glow!
3. Apply multiple times to increase glow.
4. If glow becomes dim, you can "recharge" Splat Glow by briefly stepping into a lit room or under direct light.
5. If you have dark hair you may need to apply Splat Glow a few times to get a bright glow effect. The lighter your hair color - the brighter the glow.
6. Use on body to make your skin glow!

Helpful Hint: Apply Splat Glow Gel liberally to hair, do not rub in. For best glow effect, coat on hair and let dry.
